## Duver Dash at Bembridge Harbour - Sunday 26th May

New this year: a 5km Charity Fun Run, in support of The Sophie Rolf Trust - KissyPuppy, starting and finishing on the Duver, with a 1km Junior Fun Run for under 16s (with an optional 2nd lap).

Full info and Entry Forms can be found on the Harbour website event page.

## Other Harbour events ...

We're very excited about **Rock the Boat** on Saturday 22nd June, for which tickets are now available online (via the website). Featuring favourites from the 60s and 70s, by The Mechanix and The Accelerators, there'll be a BBQ and the Water Horse Box Bar will be quenching thirsts.

## Bembridge Harbour Family Fun Weekend - 2nd to 4th August

We will be hosting a music event on Saturday 3rd August, as Dance on the Duver is unable to take place this year:

**The Harbour Party** will feature live music, a hog roast, and the traditional Harbour Fireworks display. Info and tickets are available online.

A full programme of the weekend's events will be published at the beginning of May. As always, our events are in support of our nominated charity.

## Other Harbour news ... free WiFi

A successful trial has been completed following a total upgrade of hardware /software to enable us to offer our customers FREE WiFi! The system works on a code which is available from the Harbour Office. The previous limited/intermittent service has long been a source of frustration which we are delighted to have now been able to put right!

## More seasonal staff needed ...

Our new seasonal staff are starting with us in April. We are also looking to recruit more Berthing Staff and an additional Facilities Cleaner. Details can be found on the website.

## Diary Corner

The next meeting of the **Bembridge Harbour Advisory Group (BHAG)** will take place on Thursday 11th April 2019 at 0930 at the Harbour Office.

## WIN a FREE night's Visitor Berth at the Duver Marina

LIKE & SHARE our Facebook page during March to be entered into a monthly draw.

**February's Winner is:**  
**Jon Steward**

Note: some privacy settings prevent us from identifying who has shared the page.
