HUGE CONGRATULATIONS ...

... to our Senior Berthing Master Sarah, who married Jamie at St Helen's Church on a glorious Saturday in September - here on board Helena en route to their reception, with Cameron at the helm. We all wish the new Mr & Mrs Salter every possible happiness together in the years ahead.

HARBOUR NEWS ...

Oktoberfest: it was a difficult decision to cancel this event due to the forecast of severe weather (which turned out to be correct). We were all very disappointed, especially as it was the final fundraiser of the season for our nominated charity, The Sophie Rolf Trust, KissyPuppy. Tickets have been refunded and our apologies go to everyone who was looking forward to a great party, as well as huge thanks to the bands, catering and bar teams for their understanding, and to the local businesses who were providing equipment.

Adieu: We bid a fond farewell at the end of September to our wonderful seasonal berthing staff, who over this exceptional summer have, quite frankly, worked their socks off! We hope to have many of them back with us next year.

Autumnal days: The mid-Harbour moorings have now been removed for the winter and boats are tucked up along walk-ashore pontoons. The recent calm and mellow conditions have been perfect for getting out on the water to enjoy this beautiful, tranquil time of year, and we hope many of you have been doing exactly that! Long may it last ...
